-RESEEDING AMERICA-

Missionaries to New England

Second Edition – February 2026

We just completed our second month of deputation, and had a great time! We got to spend time at three churches in the area of our sending church, including the Crossroads Baptist Church Planters Conference. We were encouraged and refreshed by great preaching and lovely people. We also were able to spend Valentine's Day with a church in Cullman, Alabama, and had a great time of fellowship with the members there. While we were there, the church saw a soul saved! It is always wonderful to watch the work of the Spirit in someone's life. In the last week of the month, we travelled to Colorado to see Naomi's grandparents, as well as her uncle, Shannon Munday, who pastors a church in Fort Morgan, Colorado. Sadly, though, I came down with the stomach flu on February 28th, and was not able to make it to our meeting on March 1st at Platte Valley Baptist Church, so we extended our flight tickets to be able to present on March 4th. I am feeling much better now, praise the Lord, and Naomi and Joseph seem to be healthy. Pray that we continue to stay healthy and safe as we travel back to our hometown on March 5th.

We did not see movement in our support percentage in February, but a few of the churches we visited let us know that they would be voting on the matter soon. We are excited for what God is doing, and we know that He is working. We have been truly blessed by each church we've been able to visit.

We are booked through the first part of June, which is a huge blessing to us, and we are still working on getting meetings scheduled through the rest of the year. Please pray that we will be able to fill our schedule and meet our support goal so we can get to the field as soon as possible. We are eager to get to Lowell and continue the ministry that God has called us to. Pray also that God will continue to prepare us for the missions ministry while we are on deputation! There is much for us to learn about ministry, and we are soaking in as much as we can as we travel.

Joseph is having a hard time sleeping in some of our traveling, especially when it comes to Pack-n-Play's. They are a blessing, but they seem to be uncomfortable for him after hours of sleep. Please pray that we are able to find a solution to this problem for some of our long trips coming up so that Joseph can sleep better (as well as mom and dad)! He is turning 8 months old, and still growing quickly and hitting milestones ahead of time. Pray that our family continues to grow in Christ and that we are able to raise our children in God's nurture and admonition.
