

## **Guam, Where America's Day Begins** **March 2015 Prayer Letter**

Dear World Wide Family,

“O taste and see that the LORD is good, blessed is the man that trusteth in Him.”  
Ps. 34:8. The Lord has surely revealed his goodness and mercy to his children.

Each month we want to highlight one of the ministries of Lighthouse Baptist Church here on Guam. This month will be the children's ministries. We have dedicated S.S. teachers and youth leaders who reach out to them. Most of the children come on our church vans each service. Brother Bobby and Brother Kennedy are our responsible drivers and each have an accompanying adult. Most of the children come from poverty stricken homes and enjoy the attention and teaching they receive at church. We provide games, snacks, and Bible study and Bible memory time. After which, for about 30 minutes following each service, they get to play basketball, volleyball, or other games under supervision. We use the Master's Club Program on Wednesday nights, and also have an activity and awards Saturday program each month. Only eternity will reveal the results of the investment in these youth.

Thank you for your prayers and support for this ministry over the past month. In February, I preached on the “Sermon On The Mount” each A. M. service, evangelistic messages on Sunday nights, and a study in Joshua on Wednesday nights, in addition to making 20 radio tapes and two services in the nursing home.

Patty helped the ladies plan a banquet on February 14th, and she and I enjoyed doing a skit for the folks. Missionary Elwood Hurst was our guest speaker. Patty also organized meals for one of our ladies while she was down after surgery.

We have found the island people to be beautiful and friendly. Patty has a real gift of meeting and talking with total strangers. She almost always gets the Gospel in and invites them to church. If everyone who promised to come to our services came, the church wouldn't hold them.

Our men now have everything completed for the steel and concrete roof panels that will be installed on the new building in about 30 days. Unfortunately, our funds will require us to stop until we can afford to add the walls, windows, and doors. The roof costs somewhere in the neighborhood of \$50,000.00. The church property and building are a good testimony to the community of what God can do.

God bless you for your faithfulness. Thank you for allowing us to be part of your missions outreach to the World. While you are ministering at home, we are ministering with your support in Guam.

We love you folks and pray for you often.
