

ERNEST AND DARLENE BAUSERMAN

Missionaries to Canada

September / October 2002

Dear Praying Friends,

In the last prayer letter we mentioned that snow would soon be coming. It's here! We've had several dustings so far...once it was enough for several children in the area to build a snowman. Anyway, it's that cold, snowy time of year again.

Pastor Wright and several of the folk at PIBC have been ministering at the Finlandia Nursing Home. What a wonderful opportunity!

I'm getting several opportunities per week to minister to Patrick (the 15 year old boy) He did come out to the Thanksgiving banquet where the gospel was presented and many testimonies were given. Please pray for his salvation.

Two weeks ago, at Nairn Centre, a lady came into the service with her 3 children. We had been visiting this family since we started the work in Nairn Centre over a year ago. She said that she had walked past the building on one occasion some time back and almost came in, but the service had already started and she didn't want to interrupt. I told her to come on in and not to be concerned about interrupting.... we'd start the service all over again just for her!

She was ill this past Sunday, but her 3 children came again!!! Remember this family in prayer.

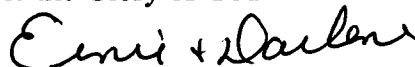

While out doing distribution last week, I came across a 32 year old man who indicated that he had accepted Christ as Saviour recently and wanted to know more about the Bible. We've started a Bible course with him and hoping to see him in the services soon. Please pray for Glenn and his family.

Mrs. Wright just had major surgery and would appreciate your prayers for her as she begins the long road to recovery.

Darlene has been diagnosed as having diabetes. We're not sure yet as to the severity of it but will know more as time passes. Keep her in your prayers.

Thank you once again for your faithfulness in giving, in praying and encouraging this missionary couple. May the Lord richly bless you as we each continue to serve....

For the Glory of God
