Dear Praying Friends,

We've been in Canada now for 16 years and this will, very possibly, be the first Christmas without snow we've experienced.

The weather is calling for flurries but no snow. The lakes are a bit frozen but not enough to go out on. However, this abnormal weather does give us more opportunities for distribution and visitation.

2006 has been a year of much teaching for the new converts in the church. One lady (S), who has been saved for just over a year, invited another young lady (L) several weeks ago. L has been coming faithfully each week and this past Sunday she made a profession of faith in Jesus Christ. S called us this morning and was so excited because she has learned from our discipleship teachings that she will be the one to disciple L.

We have seen the Lord's hand in each life this past year. There have been many ups and downs, but through it all we can see these dear folk growing in the grace and knowledge of our Lord Jesus Christ.

Darlene is still waiting for her surgery. Her song this Christmas season is "All I want for Christmas is my two new knees". Please remember her in prayer.

We would like, once again, to thank you for your faithfulness in helping to reach Canada for Christ.

We pray that you will have a very blessed Christmas and New Year.

*We appreciate  
all you do there  
in the home office.  
Trust you all had a  
wonderful Christmas -  
Happy New Year to you all -*

For the Glory of God
