

ERNEST AND DARLENE BAUSERMAN

Missionaries to Canada

March / April 2007

Dear Praying Friends,

Darlene is recovering well from her knee surgery. She now has a bend of 110 and has just finished her therapy.

Spring is here and with it door-to-door evangelization has begun as well as much distribution. An older lady that we've been visiting in the hospital for the past three months has finally begun to heal and just went home this past Monday. While in the hospital, she studied the Scriptures with us and we're praying that she will be coming out to church when she gets able.

As I stated in the last prayer letter, we are trying to visit our supporting churches during 2007. We take one Sunday a month and a Wednesday night on either side of it to schedule the meetings. Please pray for us as we travel and as the men of the Near North Baptist Church take care of the church in our absence.

A suitable, affordable building has not yet been found for NNBC but we are continuing to search. Our lease is up in March of 2008 for the two rooms we presently rent. Please pray with us in this matter.

It seems that the month of April has been filled with trials for our people. We may lose one of our faithful families due to a cutback in work here, unsaved family members are doing everything they can to discourage the new Christians, and financial difficulties are on the rise. Please pray.

BUT, there are always those victorious moments. Last Sunday an older lady came into the service. We found out that several years ago, when a distribution of John and Romans was made, that, after having received the booklet, she put it away thinking to read it later. Several years passed and this past week she came across it, read a bit of it and decided to come to the service Sunday. Please pray for her salvation.

Thank you once again for your continued faithfulness in giving and praying.

For the Glory of God

Ernest and Darlene Bauserman
