

ERNEST AND DARLENE BAUSERMAN

Missionaries to Canada

January / February 2008

Dear Praying Friends,

Thank you for remembering us in prayer.

In the last letter we asked prayer for a situation here in the church. It was brought to light and the Lord is working in hearts. God is so good! Please continue praying for this unspoken request.

Darlene had her knee surgery and is now on the road to recovery. This knee replacement is a bit stiffer than the other one thus giving her more problems on the bend. She is doing quite well other than that. Thank you once again for remembering her in prayer.

One of the men from the church here invited me to go ice fishing last Saturday. It was the first time I've done that since we've been in Canada and was an enjoyable experience (if you like being on a frozen lake with the wind whipping up, snow blowing around you, the fishing hole freezing up every 10 minutes to where you must rebreak the ice and then not catching any fish) BUT the bright side was that I was able to spend time with a dear brother in Christ and enjoy the outdoor life. We had a fire on the bank of the lake so we could warm up at times. I see now why the more serious ice fisherman uses an ice shack.

I've been doing door to door in the apartment buildings here and have had several good contacts. Please pray as the Lord deals with these unsaved people.

Even though the lease is up on the church property we're still there. Please continue praying with us about the building situation.

Once again I'd like to say that if any church that we haven't been to would like for us to come during a mission's conference or to be there on a weekday, please call us at 705-752-3562 or email us at ernestbauserman@cleaninter.net. Due to the need for us to be here on Sundays, I'm going to try not to be away except during the week this year if necessary.

Thank you for your faithfulness in giving and praying in order to reach Canadians....

For His Glory

Ernest and Darlene Bauserman
