

ERNEST AND DARLENE BAUSERMAN

Missionaries to Canada

September / October 2009

Dear Praying Friends,

Several small snows have come and gone and we're awaiting the one that stays. It usually comes around mid November.

We've had the opportunity to see two folks make professions of faith recently. One is a 17 year old who is in his first year of college here in North Bay. I look for the Lord to do great things with this young man. He has a heart for God! I'm starting Bible studies with him on Tuesday mornings at 10:30. I've not seen a young man on fire for God like this for a long time.

The other person that made a profession of faith is a lady in her 50's. She has started the Bible studies that we offer by mail. Pray for her husband, Mike, that he would also come to the Lord.

We're also working with many folks outside the church. There is a disabled lady who says that she is saved, has two teenage children and is going thru some VERY difficult times. Please pray with us for her that we will be able to minister to her and see her come out of this situation.

A new family is coming to the church now which boosts our attendance to 26. We have five teens and eight younger folk. What a great blessing to be able to teach these young folk the Word of God and see them grow in Christ. One of the teens has put together the Christmas program for this year and is doing a great job directing it. We're trusting to see some unsaved folk in the services in which we'll be presenting the program.

Pray for us also at the Marina Point Rest Home where we minister on the second Sunday of every month. One of our men will be bringing the message in December and we're planning on using all of our Christmas special music in that meeting.

Another man called me last week and we met together for about two hours. He is unsaved but listened intently as we went through the Scriptures.

My wife and I are greatly appreciative of your continued prayer support as well as your sacrificial giving to make it possible to reach Canadians

For His Glory

Ernest and Darlene Bauserman
