November / December 2009

Dear Praying Friends,

Since our last prayer letter much has happened.

We're going to continue Bible studies with the young man I spoke of, but he has gone out of town for a month in visiting his father. Lord willing we will resume these studies at the end of January or first of February.

Nothing has changed with the contacts that we spoke of in the previous prayer letter. There have been other contacts made in November and December as people have been contacting us being in need. I am delighted when the phone rings and someone wants us to help them with their physical needs. I then ask if we may come visit them and, for the most part, the answer has been yes. One lady, requesting help for her son and his children, called and when she learned that I wanted to discuss Christianity with her she hung up the phone.

A young man has started attending our afternoon service. He claims to be saved but needs to be disciplined. Please remember him in your prayers.

As you well know, life is not all on the up side. We were not able to have our Christmas Program as planned. The family that was heading it up left the church questioning our direction and expectations. This caused us to question our direction and expectations. Our direction has been and always will be to glorify our Lord in all we do and our expectations have been and always will be the same as the Lord's expectations. Please remember this family in prayer as well as us as we continue to deal with the situation. We're leaning on Romans 8:29 and Proverbs 3:5,6 in this.

I praise the Lord for my wife who was working with the small children on a five minute or so program. Others in the church came forward and blessed us in specials also.

My wife and I took a quick trip to Chattanooga Tennessee to spend Christmas with Tracey and Christina and their families. It was a very blessed time.

We thank the Lord for you and pray His blessings upon you....

For His Glory

Ernest and Darlene Bauserman
