## *Missionaries to Canada*

July / August 2011

Dear Praying Friends,

It's amazing how quickly time passes. We've already had a major freeze which has destroyed the garden. Fall is here with leaves changing their colors and the woodstove going day and night.

As some may already be aware, Darlene's mom went home to be with the Lord in August. We greatly appreciate your kind, heart to heart concern with and for my dear wife at this time. We also are grateful for the financial assistance that came in enabling us to go to Tennessee to be with the family and to say our final farewells to mom on this side of Heaven. Only in eternity will you dear ones know the depth of this gesture of love for us during our hour of need.

A lady stopped by the church about three months ago just after the morning service and inquired about the times of the services. Three weeks ago she attended the morning service and that Sunday evening she brought several of her seven children. Her husband came in after the service, met us and has been faithful since then. They have to make two trips each time they attend church as their vehicle cannot transport nine people. Pray with us about a vehicle that will meet their needs.

Another lady, whom we haven't seen for about a year, came back last Sunday. She stated that the Lord had been working in her life and she needed to get back in church.

A family of six, from down in the London Ontario area will be coming this weekend to see if NNBC is the place where the Lord would have them to minister. Please be much in prayer about this.

Thank you for praying with us and thank you for your support to us in these years that the Lord has been establishing HIS church here at North Bay. We've seen and are regularly seeing the great spiritual battle for souls as well as Satan's attacks on the church. 1 Peter 5:8

This morning I had the opportunity to speak with a man who suffered a major heart attack some time back. He stated that he cried out to God and asked God not to take him as he wasn't ready to die. God spared his life and this morning I was able to give him the Gospel. Please pray with us as the Holy Spirit continues to work in this man's heart drawing him to Christ.

I met a 50 year old man this week who stated that he made a profession of faith twenty years ago but never sought the Lord afterward. He went into a very severe depression years later and has been institutionalized since. Just a few months ago He purchased a Bible and began reading it. God began changing his life to the point that he is now out of that depression and seeing what the Lord wants him to do. Please pray for this man.

Many Canadians are being ministered to because you cared to send this missionary couple to Canada 21 years ago and have been faithful to God in helping to keep this couple here. Thank you for allowing the Lord to use you so that He may use us .....

For His Glory
