

ERNEST AND DARLENE BAUSERMAN

Missionaries to Canada

November / December 2011

Dear Praying Friends,

We were once again able to have a Christmas program this year and it was great!!! I was so surprised at the great job our young people did in preparation as well as presentation. They memorized Luke 2:1-20 and quoted it with expression. What a blessing!

We haven't heard anything from the man who made a profession of faith (read about it in the previous letter), neither have we heard anything from the folk that received the Bibles. But the Lord knows all about it.

NNBC reached out to several people in need this year at Christmas not only with gifts of food and other items but with the Gospel of Jesus Christ.

At the annual Christmas Walk here in North Bay, NNBC handed out tracts and spoke with multitudes of people. Each year the City closes off Main Street at each end and people come for miles around to walk downtown. There is always a horse drawn wagon providing rides, as well as businesses providing hot apple cider, hot chocolate, cookies, etc. The event lasts for about three hours.

We opened our doors at the church, put out speakers with good music playing, handed out many Bibles and hundreds of tracts and spoke with many people. Our young folk went down thru the crowd and handed out tracts as well. Although we've not seen any fruit from these evangelistic outreaches, the seed has been sown and watered. The increase is up to the Lord. 1 Corinthians 3:7

We ask you to pray with us as we continue to evangelize the lost in the North Bay region. One thing that we're starting this week is Bible reading on Wednesday night. We're going to start in Matthew chapter 1 and read for about thirty minutes. A notepad will be provided for the hearers to write down their questions (if they have any) about what we've read. Each week we will answer the previous week's questions and then continue reading thru the New Testament. Please pray with us on this that people will come out for this.

Thank you once again for your faithfulness in helping to reach Canadians.....

For His Glory
