

ERNEST AND DARLENE BAUSERMAN

Missionaries to Canada

March / April 2012

Dear Praying Friends,

As I had mentioned in previous prayer letters, a family of nine began attending NNBC a few months ago. Recently they learned that their one year old daughter Zionnah needs heart surgery which has been scheduled for May 17th at the Children's Hospital in Ottawa. (She has Ventric Septal Defect and Atrial Septal Defect, also known as hole in the heart). Please remember Zionna and her family in prayer especially on May 17th.

A year ago, new neighbors moved in next door. My wife and I began talking to them about the Lord and three weeks ago they began faithfully attending services. The lady had been taught much twisted theology but now is beginning to see the actual truth of the Scriptures. Please pray with us for this couple.

A man from New York, who was going to retire and move to North Bay, has retired but is experiencing great family problems. Join us in lifting up this dear brother to the Lord and pray with us that his wife (she is Canadian and her home is here) would turn to the Lord and accept His salvation.

The 86 year old man that we spoke of in the last prayer letter is no longer attending services. I've visited him but he doesn't seem to have an interest any more in the things of the Lord. Pray with us for him.

We've decided to hold off until fall to begin the Master's Club. Lord willing, in August 2012, our grandson Daniel will be joining us to help in the ministry here. Please be in prayer about this great step of faith for him. Certainly we could use a young man to help with the young people we have in the church as well as ministering at the rest homes, preaching, teaching in the Sunday Schools, and doing door to door visitation.

Thank you once again for praying with us in these great needs. May the Lord richly bless you

For His Glory
