BAUSERMAN

MISSIONARIES TO CANADA

July / August 2013

Dear Praying Friends,

Kendal Wadley and Jessica Brooks are now Mr. And Mrs Kendal Wadley. The wedding was a great blessing and many folk came out in attendance. After the wedding, one Catholic lady came up to me and said she had never heard a message like that before. Please pray for this lady.

Kendal and Jessica have been very busy this summer in visiting contacts, having Vacation Bible School, street evangelism, Sunday School, nursing home ministries as well as keeping up with her Academy of Music. The Lord has greatly used these young people. Please keep them in your prayers.

We also had the privilege of baptizing two girls. Seven of our folk went to Camp YES this year.

Darlene had another problem last week with her heart. It was caused by high blood pressure and low oxygen. She was in the hospital for several days as Dr. Lavoie tested her for various solutions. They have changed her blood pressure medication which has brought it under control. Thank you for your continued prayers with and for us in this.

Lord willing we are going to be taking a trip to the States to have a long overdue time with our immediate family and church family in Virginia. We plan on being there during the month of September. Remember us in prayer during this refreshing time. There are family members that we haven't seen for 10 years or more...and some we haven't seen since we've been in Canada as missionaries.

Much evangelization has been done since winter. Kendal has been down on the street about every weekday, door to door is going on, distribution is being done, and we've also seen a bit of fruit from our NNBC webpage. A family has just moved here from Nova Scotia, saw our webpage and came to church Sunday. We've had several visitors from North Bay this summer and are praying that they will return.

There is still one student from China in town that is still open to the Gospel. We're able to get back into the College here again this year so please pray for this outreach.

Once again, thank you for your continued intercession for us and your faithful giving to help this work of the Lord progress

For His Glory
