

MISSIONARIES TO CANADA

January / February 2014

Dear Praying Friends,

What a winter we've all had! It's definitely been cold everywhere. Temperatures here have been staying well below 0 and dipping down to 40 below at times (without the wind chill.) I say all of this in order to ask you if there is anyone that has a Volkswagen that does not produce heat in extreme cold weather. The dealer in North Bay states that there is nothing wrong with the circulation nor the thermostat ... it's just a diesel that won't heat up in subzero weather (even with covering the radiator.) The engine temperature is normal but there is no heat coming from the heater. If there is someone that has the solution to this problem, please contact us and give us that information. Of course when the weather improves, we won't be needing the heat until next winter. :) You may call us at 705-371-2202 or email at eb@wwntbm.com

I would also remind everyone of our new address which is **Ernest and Darlene Bauserman, 95 Mundy Avenue, Kapuskasing, ON P5N 1R7, CANADA**

When we began our move to Kapuskasing, a sudden problem arose....the engine on our 2005 VW needed replacing. An amazing thing happened, someone in North Bay, at the same time, with a lower mileage 2005 VW began having serious problems with their transmission which eventually went out. They decided to trade the vehicle for another one, thus the Lord provided an exact engine for our need! What a praise!!

Since our arrival in Kapuskasing, we've seen many visitors at the church and been able to give the Gospel to many folk in the town. We are looking forward to warmer weather so that we can launch our first mass tract distribution. The church has been busy getting the tracts ready along with John and Romans. Please pray for this outreach which we're planning for the spring.

We're also in the process of having printed another John and Romans booklet with a picture of the church building on the front cover, hours of services, etc in order to use when we do door to door evangelization. Lord willing we will be starting this outreach in the spring as well. Plans are also being made to have a Vacation Bible School either in the summer or early fall. Please pray with us as we get organized and minister in this new location.

Thank you once again for your faithfulness in reaching Canadians

For God's Glory
