

MISSIONARIES TO CANADA

March / April 2014

Dear Praying Friends,

Spring has finally arrived in the north however even as we write this it is flurrying outside. We're very grateful to be away from the 20-40 below zero temperatures.

The church brochures, John and Romans, and French tracts were picked up last week so this week we're beginning door to door evangelization. Please pray with us as we meet the folk here in Kapuskasing and present the Gospel to them and invite them out to church.

Last Friday a ladies meeting was held at the church and there were five visitors that attended. An invitation was also extended to them to be with us on Sunday but none of the five came. Please pray for these ladies.

Darlene still has shingles in her eye area that are continuing to give her headaches.

Please be in prayer for the elderly folk that are here in the church. One couple is in their 80's and now beginning to slow down considerably. Another lady is in her late 70's, has severe back problems and was in the hospital recently for over a month.

Be in prayer for Mitch as he is close to salvation. We've spoken on several occasions and he knows what he needs to do to be saved.

Thank you once again for your prayers with and for us as we serve our Saviour.

For God's Glory
