

MISSIONARIES TO CANADA

January / February 2015

Dear Praying Friends,

We reported that winter here has been brutal. We've also seen that winter in the States has also been brutal. February here stayed around -30 to -40 with wind chills well below -50. There is still around 3 feet of snow on the ground and we are definitely looking forward to the spring thaw.

During the cold spell we've continued door to door visitation in unlocked apartment buildings which has brought out several visitors. The town is still housing many natives that have been displaced from their homes further north. Several of these natives have attended services but no one has shown any kind of fruit or continued interest.

The family of four, of which we spoke of in earlier prayer letters, is moving to Quebec. The retired military man is growing in the Lord and we are still meeting every Tuesday for several hours. He is faithful in church and is a tremendous witness to his family of many brothers and sisters as well as nephews and nieces for whom we are praying will come to Christ in the near future.

The rest homes are closed to any outside activity groups and admittance to the facilities is very limited due to the flu outbreaks.

My broken foot healed completely. Thank you for your prayers for me in this.

Darlene continues to have various health problems which are being dealt with by the health care system. She has an appointment with her specialist in June. Thank you for praying with and for us in these areas.

Thank you dear folk again for your faithfulness in reaching Canadians.....

For God's Glory
