

MISSIONARIES TO CANADA

May / June 2015

Dear Praying Friends,

We continue sowing and watering the seed here in the Kapuskasing area. Since the last prayer letter, the lady that was coming off and on has not been back. We ask you to continue to pray for her as we do not know what has happened. She and her husband had planned on moving to the area but we've not heard anything from them.

One of the 11 year old boys that we spoke of in the previous letter was not interested in coming out to the Bible study but the other one (John) came out until he and his family moved to southern Ontario. We've not had any other young people interested in this outreach.

Many people are being evangelized and we are awaiting the increase of the Lord. The two ladies with back problems and arthritis pain have been doing much better now that warmer, dryer weather is with us. The lady that had the serious illness has recovered but the doctors still do not know what the illness was. Praise the Lord for answered prayer!

Please continue praying also for the faithful saint who is 92. Her greatest desire is to see her grown children walking in the paths of the Lord. At this time they are not seeking the things of the Lord.

The fellow that I meet with each Tuesday is growing in the Lord and has a great burden to see others saved and serving the Lord.

Thank you for your faithfulness down through the years in helping to reach Canadians
