

# MISSIONARIES TO CANADA

January / February 2016

Dear Praying Friends,

Recently while spreading the gospel door to door, I came across an elderly lady who said, when I asked her if she was a Christian, "I pray to God and to my husband every day." She had lost her husband over two years ago and has been seeking his intervention with God ever since.

I told her that I really believed that she prays to God and then asked her how God speaks to her. She replied, "Things happen...like...two birds flew up to my window. He knows that I've always liked birds."

I asked her if she had a Bible which is God's way of speaking to us.

"No, but I think my brother has one."

I then asked if I could give her a Bible to which she said "No."

I asked her if she received the Kapuskasing Northern Times newspaper and she said she did.

She fetched the newspaper and I showed her our ad on the front page and the bi-weekly article in the paper. She said she hadn't noticed it but would start reading it.

Please pray for this wonderful outreach. You may see the paper online at

This paper reaches all the people within about a 50 mile radius. Outside of that radius is basically bush.

A member of the church and I went door to door and met another elderly lady in a three family apartment building. While talking with her, the outside door opened and a police officer entered. He told us that a complaint had been received about us in the building. We had already knocked on the other two doors but no one answered. We gave him the information he asked for and he graciously received one of our brochures. Pray for these folk as they think upon what they've heard and read.

We've had several visitors these past few months and one of them is coming regularly to the Sunday evening service.

I am also beginning to train one of the men on Tuesday evenings. He is bilingual and is a great help. He has a big heart for God and is praying as to what the Lord will have him do. Would you pray with us in this?

Thank you once again as we labor together.....

For God's Glory
