## Light Pillars in North Bay

Nov / Dec 2016

Dear Praying Friends,

The new year is upon us and has brought significant changes here at the Kapuskasing Baptist Church.

I just preached two funerals for two men in the church in the last 2 months, one of which was possibly unsaved but according to his wife he did pray with him at the hospital and the other was our song leader, trustee, and all around help to the church as well as being a good friend and brother in the Lord. He was nearing 70.

The other man was 86 and had been attending regularly.

Just after Christmas, we received news that the 60 year old son of one of our other faithful men (Mr. Bromilow, 84 years old), died unexpectedly. Now there is a 3rd funeral to do in this little work. Our heart aches but we sorrow not as others which have no hope.

A third faithful man has just been let go from his job that he has held for over 15 years. It's very difficult, as many of you know, to lose your job when you're in your fifties and need to start over. It's also very hard for the spouse. Please pray with us for this dear family.

We're presently working with three different families that have shown a bit of interest in the things of the Lord. Pray with us for their salvation.

Temperatures here have mostly been below zero and we have been having a goodly amount of snow which blows about. It seems like a daily task now in clearing snow. They are announcing a warm up next week (in the 30s) but snow as well. That's winter in the north.

Thank you once again for your faithfulness in reaching Canadians.....

For God's Glory

Ernest and Darlene Bauserman
