

Missionaries to Canada

July - September 2017

Dear Praying Friends,

We've finished our furlough for this time and are very grateful to be back in Kapuskasing. We greatly appreciated the ministries of Pastor and Mrs. Covey from Ottawa and Pastor and Mrs. Jim Bailey from Virginia, who served in Kap during our absence. There were a few churches that we were not able to visit so if you would like us to come by, please contact us and perhaps we could set something up for next year.

We also wish to thank everyone for the hospitality, great food and fellowship as well as the opportunities to update the churches on the ministry in Canada. As we stated everywhere we went, we're praying the Lord of the harvest that He will send forth laborers into His harvest, especially into the fields of Canada.

So many times I read emails of people searching for a good church to attend in Canada, but the nearest one is hours away. Please pray with us for God-called people to respond to this great need.

We have mentioned J. Cutfeet and ask you now to pray with us concerning this family. They haven't been to church for some time.

We had a young family visit last week with two preschool boys. Please pray with us concerning this family. They've recently moved to the area.

Praise to our God for the many thousands of safe miles during the months of May thru October. Before we left for furlough, we prayed and asked Him that His will be done. I have learned of many Christians that have been involved in serious vehicle problems and accidents while traveling. I learned to pray that His will be done.

Thank you once again for your continued faithfulness in lifting us up to our Heavenly Father and for your generous giving, as we all have a part in reaching Canadians.

For God's Glory,
Ernest and Darlene Bauserman
