

Missionaries to Canada

October- December 2017

Dear Praying Friends,

2017 will be just a memory by the time this letter is read. We've had many good memories from this past year, and some of those choice moments were spent with you dear folk. My wife and I were able to spend some time in the States with many of our supporting churches as well as spending some long overdue time with family and friends. We attended a family reunion and saw some family that we haven't seen for twenty years or more. Of course there were many that we've never met as they were born into this world since we left our home for the mission field twenty-eight years ago. If we did not get by to see you, please contact us and we will set up a meeting in 2018.

We've had a young couple attending the Sunday morning services for the past several weeks. They moved here from southern Ontario and have two small children ages two and three. The First Nation people are attending off and on. We're hoping to see them coming more regular this year. Please pray with us for these needs.

Thank you cannot adequately express the thankfulness we have in our hearts for you and how you ministered to us during our furlough. We were in great need of that fellowship that you gave us. Thank you also for your generous hospitality and sacrificial giving.

We're looking forward to seeing this church grow in 2018. Please be praying that the Lord would send some younger folk into the harvest field of Kapuskasing Ontario, Canada soon.

For God's Glory,

Ernest and Darlene Bauserman
