

Missionaries to Canada

July, August, September 2018

Dear Praying Friends,

Winter is very close as we've already seen snow showers and snow is back in the forecast.

Christine has sold the house and is now moved away 5 hours south of us. One of our widows may be moving to the Ottawa area next summer to be with her children and grandchildren.

There is a 47 year old saved man (Shane) who has moved to the area and has become a great help to us. He came here with nothing except the few clothes that he had. His brother was going to take care of him until he got on his feet but that didn't work out; however, he got a job paying \$25.00 an hour, now has an apartment and has purchased a motorcycle (paid cash.) With the motorbike he can get around town but must wait a year before he can drive a car by himself. When he moved here, he was basically starting life anew. Thanks to you dear folk, we were able to help get a motorcycle to him by going to southern Ontario and picking it up on the utility trailer that we have. He wants to thank you, dear brothers and sisters in Christ, for being used of the Lord to have us here for him in his time of need.

This young man is very talented in the construction field. Just last Friday, the owner of a construction company saw some of his work, approached him and asked if he would come and do some work for him on Saturday. He did the work and that owner has now asked that he work for him on a full time basis. I said all this to say this... remember Mitch that we've been praying for? The owner of the company is Mitch's dad and Shane will be working with Mitch from time to time. Keep praying!!!!!!

Brother John has come down with pneumonia and is not doing well. He is one of our trustees.

Please be much in prayer about some decisions we much make here at KBC. Since we're losing our members, there is no one taking their place thus the need to downsize. Shane is with us for now, but it's a possibility that he may move to New Brunswick next year and settle down with a lady there that he has known since childhood.

We've just finished another distribution of our bilingual church brochure via Canada Post. The folks in the church have also started distribution of Thanksgiving tracts.

Soon we will be setting up the table in front of the church building giving out tracts, Bibles, and other literature to whosoever will take them. I'm also going to offer free dvds of the church's video, "Death, the Relentless Foe." Many Canadians are greatly thankful for the Lord using you to help in keeping us in Canada by way of your prayer support as well as your financial support. Thank you.

For God's Glory
