

Missionaries to Canada

January – March 2019

Dear Praying Friends,

Much has come to pass in these last few months.

Brother John Liscum is now with the Lord. He passed into his heavenly home in February and we held his service in Sudbury. Many unsaved people heard the Gospel and saints were edified as our Lord was exalted. In July 2018, Darlene was diagnosed with chronic lymphocytic leukemia (CLL). Since then her strength has been slowly diminishing. Due to these and other health issues, it has become necessary for us to move closer to the Sudbury Cancer Centre. The Lord has directed us to continue church planting in Elliot Lake (EL) where there is a need for a good church. Even though we're not as able to do as much as we had been doing physically, we plan on continuing tract distribution, placing articles in the local paper, talking with folk about the Lord, and providing Bible studies to those who are interested. As well, we will be ministering at a distance to the few folk that remain in Kapuskasing by way of supplying Bible study materials for the individual that is taking the work and by being available for any urgent needs. Live-streaming services have already been put in place. There is such a great need here in Canada for younger missionaries. Please pray that the Lord would send labourers into His harvest field and pray for us as we finish making this transition.

Our new mailing address is as follows:
12 Athens Road, Elliot Lake, ON P5A 2W4.

Our new telephone number is (705) 578-2185

Please do not send any more mail to the Kapuskasing address. We plan on being in EL on April 15, 2019. Our email address remains the same, which is dw.bauserman@gmail.com

If anymore information is needed, please do not hesitate to contact us, and we would be glad to give you any information you request.

Thank you for being so faithful in praying, in giving, and in understanding as we each serve the Lord where He has placed us.

For God's Glory
Ernest and Darlene Bauserman
