

Missionaries to Canada

April – June 2019

Dear Praying Friends,

We are now settling in at Elliot Lake. So far, we've met many people and have made use of the opportunities the Lord has given us to witness for Him. The lady next door is a French Canadian and we've had some good contact with her and her husband. At the local coffee shop one couple invited us to sit down with them and the conversation soon turned to Christ. The husband isn't saved but has many questions and concerns to which we were able to give Biblical answers. His wife was very receptive as well.

We've just started placing a by-weekly article in the local paper. Please pray with us as to these efforts to reach the people in Elliot Lake.

Coming to Elliot Lake has been a bit more helpful concerning Darlene's health, and we're awaiting further tests. She still has her days of extreme weakness and is now in the process of getting a doctor, which can take quite a bit of time. Not only are missionaries needed in Canada, but the need for doctors is great as well. She spent an entire day waiting at the emergency room last week to get some blood work done. However, we are very grateful that we have a place to go when urgent health needs arise. **We thank you for your continued prayers on her behalf.**

Thank you for helping us to reach Canadians for Christ which is always.....

For God's Glory
