

# **The Bells' Quarterly Prayer Letter**

*April – May – June 2007*

To our supporting churches and friends:

*Psalm 107:2 Let the redeemed of the Lord say so, whom he hath redeemed from the hand of the enemy; Psalm 103:1-3 Bless the Lord, O my soul: and all that is within me, bless his holy name. (2) Bless the Lord, O my soul, and forget not all his benefits: (3) Who forgiveth all thine iniquities; who healeth all thy diseases;*

*Oh! What a great and mighty God who became our substitute on the cross so that we might live. Amen.*

*January, February, and March were very interesting and filled with much opportunity to be a witness and to spread the Word of God. Now April, May, and June have been just as full. Mamie and I are in Gulfport, Mississippi as we begin writing this letter in the first week of June. We've continued on to North Carolina in a faith promise revival and then to South Carolina. Here we go again – things change so quickly and we are now in North Carolina, again and trying to finish up this letter. The Lord has been so kind to us as we have traveled many thousands of miles safely. We were blessed with the opportunity of presenting the Faith Promise Plan of Missions to the Victory Heights Baptist Church in Cleveland Mississippi. The average attendance was around 15 each night. The services had a very sweet spirit and they had a real good faith promise response. This church has seen greater numbers in the past and I believe that the future will be brighter as they involve themselves in Missions both there and around the world. Pastor Turberville's wife, sister Bonnie, is suffering from a malignant brain tumor. It seems that so many of our Lord's servants are suffering these days and we truly need to pray for them.*

*We had the blessing of preaching to the Middle Cross Baptist Church of Biloxi. This is a mission church just getting started. Praise the Lord they had a record high of 29 the Sunday we were there and three young people asked the Lord to save them. Please pray for Pastor and Mrs. Comeaux as they labor to get this church established.*

*We were with the Temple Baptist Church of Gulfport Mississippi in a jubilee meeting. There were over nine that were saved in this good church. Pastor Crane has a great burden for souls and keeps the soul winning fires burning.*

*The Valley Baptist Church of Edinburgh Virginia hosted the WWNTBM Family Week in June. It was one of the best ever – such a sweet spirit. Pastor Jim Bailey and his church did such a superb job. Thank you.*

*We preached the 33<sup>rd</sup> anniversary of the Landmark Baptist Church in Easley South Carolina. Pastor Lovell and the church folks just rolled out the red carpet for us. This was a special day for Mamie and me because our Lord allowed us to plant this church in 1974 and pastor it until the middle of 1977. This was our second church to get started. The first was Emmanuel Baptist in Swansboro North Carolina where the good Pastor, Steve Wakefield has been now for thirty good years – leading it into a great soul winning and missions' hearted work.*

*We are very grateful for your faithful support, both prayerful and financial. There is no way this side of heaven that we can properly thank you enough. Over the years, you have stood by us as we have traveled, preached, and done this ministry of helps. Your footprint of labor is seen in many places as we take you with us. We are ever behind the scene working to strengthen the ministry of God's precious local churches. We go as you give, that as we give you go. Thanks for teaming with us.*
