

THE BELLS PRAYER LETTER

January – February – March – 2010

*To our supporting Churches and Dear Friends:
Greetings in Jesus name.*

*Can you believe it we are in the first quarter of 2010? There are so many things to be thankful for and the first that comes to my mind is that our Lord is unchanging. **Hebrews 6:18 That by two immutable things, in which it was impossible for God to lie, we might have a strong consolation, who have fled for refuge to lay hold upon the hope set before us:.** We live in a rapidly changing world, both physical and spiritual. It is so refreshing to know that Jesus is always the same in his person, power, and purpose and that his mercy, grace and forgiveness are ever available to the whosoever. It just seems to me there has been a gradual move from the old time worship of our Lord.*

***John 4:24 God is a Spirit: and they that worship him must worship him in spirit and in truth.** Without the new birth there can be no true worship in spirit and in truth. We are seeing a lot of movement from bible based worship to entertainment based worship across America, this is not good. Standards and convictions about how we present ourselves to a lost and dying world have really changed in the last twenty five years.*

This year has really started off with a bang as far as activity is concerned. Mamie's sister was in the hospital most of January, for awhile it looked as if she would not make it. But thank the Lord she pulled through, only now as I write she is back into the hospital; please pray for her, her name is Patsy.

While we were able to visit and help the sick in January, Mamie and I got sick ourselves and after going to the doctor a couple times and eight weeks later we are better, not well but better, Praise the Lord we could keep going.

We were able to fill the pulpit for a pastor friend as he was sick most of January and then we began meetings in North Carolina then into Florida, South Carolina, back into North Carolina and in just a few days we are going to be in Pennsylvania, Delaware, and Maryland, the Lord willing. God has given us the privilege of seeing some very good meetings and a good move among the Lord's people but no souls so far as we know, I wish that I could say otherwise but I'm just being truthful.

Our prayer request is for souls to be saved and God's people encouraged.

Without you, our ministry would not be possible, we are humbled and blessed by you being apart of our lives as we serve the Lord. Your sacrifice and prayers minister to us everyday and when the load is heavy, we are reminded that you are there, so we grab a handful of grace and press on for our Lord. It is our prayer that you will experience a revival in your souls and that your joy will be full. Many of you have loved ones who are lost and we pray that this year you will see them trusting Christ for salvation.

*Serving Jesus Joyously,
Brother Russell & Mamie Bell*
