

## Bell's News Letter

July – August -- September -- 2015

To our supporting Churches and Dear Friends:

Greetings in Jesus name.

To all our supporting churches and friends!

It is a great joy to report back to you who lift Mamie and me in prayer and faithfully support in times like these. We have often stated that without you we could not do the work that we are doing. Your prayers have helped keep us safe on many occasions even late into the night when traveling. Thanks.

We got a good report from our last doctor's visit. He said we are holding our own so far, for which we praise the Lord with all our hearts. Mamie has been dealing with trigger finger, but it is better and we hope to get more good news from her doctor tomorrow afternoon.

There has been four (4) who asked Jesus into their hearts since our last letter, Praise His Name! God has kept us busy, safe and has allowed us to keep going ever week. We do have to rest in the afternoon almost every day in order to have the energy to go at night, and we wish we could do more, but we are not the young people that we used to be. We do love Jesus and desire to serve him faithfully until he calls us home. Thanks for serving with us for surely we carry you with us all the time. The other day a man walked up to me and put a note in my hand stating that (23) twenty-three years ago he got saved listening to us by radio! Wow! What a reminder that we are not aware of all God is doing but He is blessing his WORD. It has been our joy to see a good move among the young and older folks in the altar services; Only God knows the accomplishments of his WORD. So take heart, my fellow servants, even though the storms of life rages, it's OK!

In Robert Louis Stevenson's story of a storm, he describes a ship caught off a rocky coast, threatening death to all on board. When terror among the passengers was at its worst, one man more daring than the rest, making the perilous passage to the pilot-house, saw the pilot lashed to his post with his hands on the wheel, turning the ship little by little into the open sea. When the pilot beheld the ghastly white, terror-stricken face of the man, he smiled, and the man rushed to the deck below shouting, "I have seen the face of the pilot, and he smiled. All is well." The sight of that smiling face averted panic and converted despair into hope.

**Revelation 22:4 (KJV)**

2. **See his face v4**
3. **Sealed by him v4**

Romans 1:16 (KJV) For I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to every one that believeth; to the Jew first, and also to the Greek.
