

Bell's News Letter

April-----May-----June -----2018

To our supporting Churches and Dear Friends:

Greetings in Jesus name.

This quarterly report I am writing in the Month of May due to the uncertain date of the replacement of the pacemaker/defibrillator. The doctor said it could be last of July but he was not certain about it, just have to wait and see how the battery holds up. We are back full swing in our meetings and the Lord has given some really good ones. The month of April we were busy every night for the entire month. Again we ask you to please pray for our safety and thank you for doing so. We are now in our summer circuit which will carry us into nine states covering about 3091 miles. Please pray for our safety.

The Pilot's Smile

In Robert Louis Stevenson's story of a storm, he describes a ship caught off a rocky coast, threatening death to all on board. When terror among the passengers was at its worst, one man more daring than the rest, making the perilous passage to the pilot-house, saw the pilot lashed to his post with his hands on the wheel, turning the ship little by little into the open sea. When the pilot beheld the ghastly white, terror-stricken face of the man, he smiled, and the man rushed to the deck below shouting, "I have seen the face of the pilot and he smiled. All is well." The sight of that smiling face averted panic and converted despair into hope.
