

July August September 2021

To our supporting Churches and Dear Friends:

Greetings in Jesus name.

*Again thank you from the depths of our heart for the many faithful years you have supported the Bell family, it surely has been a wonderful journey serving Jesus together, no complaints just praises... We have been privileged to minister in five churches in North Carolina the month of July, Five the month of August again in North Carolina and the month of September six churches more in North Carolina .This may not seem much to a young man but to this older fellow it's been all I can do, **But OH HOW I PRAISE THE LORD HE GAVE ME STRENGTH TO DO IT.** He is so very kind to these aging travelers. It is very stressful moving around from place to place due to this virus upswing again and so many of our friends and family getting sick and some dying from this virus. But we continue to go with caution and much prayer for ourselves and others.*

Brother Vance Havner said man has never had so much to live on and so little to live for.

Mamie seems to be doing real well at the presence, Praise the Lord! She is such a blessing to me and many others as she lets her light so shine as she serves the Lord. She is now doing most of the driving.(95%) she also dose a great amount of the setup and takes down work concerning the motor home, it bothers me watching her do my job, it is not easy on her but she never says anything. We have tried to go without the motor home and found I just could not take the strain of being without it. I now have to rest a lot daily in order to keep going.

Praises and Prayer Request
