WORLD WIDE NEW TESTAMENT BAPTIST MISSIONS
SENDING CHURCH: FAITH BAPTIST OF TAYLORS, SOUTH CAROLINA

Why the Blumers?

We may labor to bring others to Christ, build up and strengthen churches, even disciple someone into full time ministry but I believe that God calls all of His Saints to obey the most basic of all callings namely, glorify your Father which is in heaven. Begin today to use the light God gives for the supreme purpose of drawing attention to the One that hath redeemed us.

Only intense heat can purge dross from precious metal or crack open the Bishop Pine cone to distribute its precious seeds. Pray we sustain the heat.

✠ Faithful is He that calleth you,

WHAT DO YOU DO ON "DEPUTATION?"

We began full time deputation in June. Our time is divided between traveling, meeting new acquaintances, planning, and of course, rest and nourishment.

The meeting we had at our sending church, Faith Baptist of Taylors, SC, launched our ministry to use the gifts God has given us.

We thank God for the ten years we spent in Greenville. We try each day to live fully committed to promoting His Kingdom and make this calling sure.

Eight states and one month later we have watched God's faithfulness as He provided for places to stay, meetings to share, enough to eat, and unique

opportunities to witness. Even when our van needed repair, God provided for that also. Yesterday, a thief got into our van and took some things which gave

us an open door to share the *Good News* with the neighbors. Pray for Jacqueline because she has an open mind, but she needs an open heart.

We have been told that deputation is necessary in the life of a missionary which will parallel no other event. Pray that we will grow and God will find us working faithfully and diligently for His Name's sake.

Our **Home is for sale.** The thought is both exciting and daunting. Please ask God to clearly provide a buyer that isn't thinking in terms of a short-sale. Economically, it is a poor time to sell. Pray for wisdom in packing during the move. In the meantime, we have been able to make it available to some special people while we are away. **Our ministry right now** is to be in as many churches as we are able. We believe we should value each opportunity to share our testimony anywhere and to be good stewards of the resources God enables us with, including time. After 10 days in Florida, we met with the WWNTBM families in New Bern, NC. The ministry of Pastor Bill Wingard and Calvary Baptist Church inspired us. We thank the Lord for His mighty hand sustaining that congregation through a very, very busy week. They were such a blessing. We returned to Greenville to share our vision with Northside Baptist Church before repacking and preparing for eight weeks out West. Some of the churches we visited on our way were primarily introductions which God may use in the near future. Pray for openings in their schedules for us to return to be with them. We will be heading back for meetings in Nebraska on August 15th and 18th before we are again in North Carolina. Please pray as we need to keep ahead of our scheduling for the months of September and October.

TRAVELING: WHAT WE SEE
FROM THIS SIDE.

Staying in different places can be challenging and rewarding at the same time. For instance, a gracious couple in Franklin, Tennessee opened their apartment for our use even though we never met them. God is so good to provide exactly what we need, when we need it. An example is when our van acted up just before we began a 10 hour drive. The Kansas prairie could have been unmerciful, but it was beautiful watching the storms form and release their supply. Thank God for friends who unsparingly shared their supply for us in this special way.

Last week, we took off a few days to travel to the Eastern Slope of Colorado to stay with our son and daughter-in-law, Giles and Danielle, to share in his graduation from the school for the National Park Service. It was a gorgeous drive through Glenwood Canyon.

INTERCESSION: WHAT WE SEEK
FROM THIS SIDE.

Pray that we sell our home or find qualified renters.

Pray for the pastor contacts we make and for the churches we present our ministry with.

Pray for travel safety and vehicle maintenance.

Pray for a heart and attitude that will show God's grace in our lives.
