WORLD WIDE NEW TESTAMENT BAPTIST MISSIONS
 SENT BY: FAITH BAPTIST CHURCHTAYLORS, SC .

How can you tell?

All of us were raised so differently from each other. How can anyone say that God couldn't use them? Moses tried, so did Esther. There are two important words in the Bible, "But God...". Faith in Christ alone makes the difference. God is no respecter of persons and our lives can prove it. When a Christian clings to faith that believes, "Since God could use them, "Of whom the world was not worthy", we have no excuses

✧ Faithful is He that calleth you,

“WHAT HAVE YOU DONE?”

We have traveled over Thirty thousand miles, visited 44 churches and presented Christ's calling on our life to 27 of them in only 6 short months. What you must ask is; What is the investment for eternity?

I stood by a coffin in North Carolina, sang in a Choir next to complete strangers in Virginia. I knelt with inmates in a jail somewhere in Tennessee, and together with Pastors, we praised God for the testings we were going through. To God be the glory, I being in the way, the Lord was with me and led me. We are excited to report that LaMolina Christian Schools broke ground for their new

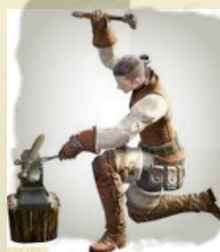

facility on August 2, 2010. This begins many other challenges ahead for them, which will need your intercession before the Lord. The involvement of the local officers concerning permits tends to be exhausting and expensive, especially under third-world conditions.

Additionally, we were thrilled to become an active part in the project even before arriving in Peru, by acquiring hundreds of classroom desks and furniture from a donation by Bob Jones University. The items will have to be stored stateside until the construction is completed, crated, and then shipped off later.

Not only iron

sharpens iron, the cold iron hammer shapes the heated metal, blow by blow. God uses the extremes of testing and

tempering to produce a product He can use. Pray that God will continue to spiritually sharpen Rose Marie and I on deputation.

We can be confident of this very thing,

We are His workmanship,

Ecclesiastes 10:10

WHAT HAVE YOU DONE ON "DEPUTATION?"

ROSE MARIE'S PAGE

Deputation is going well, we are making many new acquaintances and reconnecting with friends and family. I'm excited about what God has in store for us. I am learning to trust the Lord in "all" things, and that I don't have to understand why God moves in certain ways because His way is perfect.

As I have shared with you in my testimony, my older siblings and I were split up when I was five years old. I believe that it is through God's providence and His perfect timing, that we have been reunited once again after 47 years. It all started in August just two months into deputation.

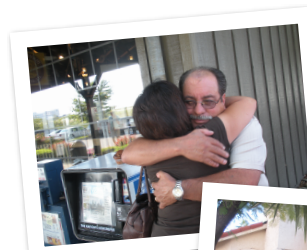

I was able to meet my brothers Art and Tony in August, and my sisters Rose and Gloria in December. God has seasoned me with age and has given me the desires of my heart. In spite of everything we went through as children...God has been good! I still find myself overwhelmed by it all. We each have a story to tell, but God makes no mistakes. In the end it's not about how we start out, but rather how we end up that's important. We have a common bond with each other as siblings. However, we are still strangers in many ways. It is going to take time to really get to know each other, but I see it as a great opportunity for ministry.

To God be the glory!
1Corinthians 15:10
