

WHAT'S NEW *In* Peru

WORLD WIDE NEW TESTAMENT BAPTIST MISSIONS
SENT BY: FAITH BAPTIST CHURCHTAYLORS, SC .

Kris & Rose Marie Blumer

Beginning our fourth year, I recall back to the meeting with our Pastor, John Monroe, asking us what our five year plan was. My mind raced forward to the opportunities of teaching in a bi-lingual Christian school and learning Spanish; my imagination tried to conceive our lives rapidly changing into a 'new standard'. The New Life in Peru theme was not our new life, it is God using His Ambassadors to spread the Gospel and add new-born babes into His Kingdom.

In short, it turned out to be a three year plan, and only God's grace could do it.

THANK YOU,
FOR EACH YEAR YOU HAVE
FAITHFULLY PRAYED,
AND SENT YOUR SUPPORT.
1 Thes. 5:24

Anniversary Edition

These words are my outward expressions, but the inward impression God had given me far exceeded my thoughts or imaginations. Ministry is not about what we plan to do, it is involvement in what God is doing. He would bring into our lives the people that needed to be saved, bring the confidence of Philippians 1:6, build the relationships with our neighbors, bridge the gaps in our language and customs, and He is the One to beckon us to go where, and when He leads. After visiting other remote areas of Peru, I am preparing right now to disembark on a 21 hour bus ride with a small team of Peruvian workers. It will take another 3 hours on Monday in the bed of a truck before reaching our destination deep in the Andes Mountains. Pastor Josue Tinta has been faithfully working in Chinchil planting a church. There are many construction projects under way in order to move

two new missionaries up to help by the end of this month. Please pray for God's leading and protection.

The main church plant I have been invited to help with is in Lince and Jesus Maria, near the centre of Lima. Currently we are canvassing the business district and residential homes. Several of those we speak with are returning email's for more information and we will soon be offering a weekly Bible study to a core group. Please pray as soul winning and canvassing draws Lima's un-churched.

La Molina Christian Schools begins the opening exercises during the first week of March. I will be teaching the same courses that I did last year and reteach two classes covered in 2013.

Regular Sunday services in Iglesia Bautista La Fe, reaches our Jerusalem and hosted a special medical mission team for neighbors of the church.
