WORLD WIDE NEW TESTAMENT BAPTIST MISSIONS
 SENT BY: FAITH BAPTIST CHURCHTAYLORS, SC .

Kris & Rose Marie Blumer

In all of the planning, the relationship 'road-building', and disaster aid 'home-building', there is nothing equal to taking part in building on the foundation of Jesus Christ. In whom all the building fitly framed together groweth unto an holy temple in the Lord: Ephesians 2:21

THANK YOU FOR FRAMING TOGETHER THROUGH YOUR SUPPORT AND PRAYERS.

Other on-going witnessing to:

- **Juan Azañedo:** Devoutly Catholic and dangerously complacent.
- **Marc Roca's family:** Marc is the only one saved, and he is being pulled-down with discouragement.
- **Fernando and Isabella:** Through them, Rose Marie and I have contact with parents who need Christ.

I am reminded more and more of how much work needs to be done before Christ returns. Each year brings new ministries, each ministry brings immense joy and more responsibilities for us to share. In Titus 3:8,14 Paul writes, "...be careful to maintain good works...maintain good works for necessary uses." Twelve weeks ago another village opened up for ministry on the road to Antioquia. It was a village that I distributed donations to after the March flood. The children in the school have already impacted their homes by bringing the Bible lessons to the table. One family is particularly interested in a weekly Bible study because of their daughter's interest. Another home, which we shoveled four feet of dirt out of, has made the room we dug-out our Antioquia headquarters. Last year at this time, Sonia received Christ as her savior. Immediately she lived a testimonial life to her

unsaved husband, Solano. An 'unhappy childhood' was his excuse for being agnostic. My first witnessing experience with him told me it would be a long road ahead. That road that ended August 23 a year later, and a new life began and a new direction. Another soul added to the Kingdom! Solano did not bring up his past grievances, he only desired to have peace like his wife had. His petition to God for forgiveness was meek, yet pure, and wonderful to hear him speak. Now, four years since my first visit to Antioquia, we have our Aquila and Pricilla; Solano and Sonia. For four weeks I have visited him; each week I am amazed at how much he has spiritually grown. I presented him with his first Bible last week, and the first thing he did was call his wife over so we could read and study it together. Already we are preparing them for baptism. Others in Antioquia are listening. John 4: 39-42

Beside giving us more of what we need and more ways to use it. In John 14:10, Jesus prepares His disciples with a profoundly deep promise, "Peace I leave with you, my peace I give unto you..." Nothing stabilizes a Christian more. Nothing is more useful waiting for His return. Nothing is more rare in the world than peace with God. The King of Peace reigns Supreme.

Christian School Ministry

La Molina Christian Schools celebrates 20 years of quality Biblical education. Currently, we have 310 students grades P3-11° (11° being the graduation level nationwide). The pastors and members of the LMCS board have installed a head director who asked me to consider changing the Bible curriculum which we have been using since 2014. After reviewing his recommendation, another teacher and I voiced our concern about the Bible version used in the material. The director told us that we could maintain using the King James, but the fact that the material was printing a different version opened a can of worms. I took the matter to God in prayer.

The next morning I received an email stating that we would not be changing the curriculum. I am sure of two things, that God is pleased to use LMCS as long as we honor His Word above all things and that the war with Satan will continue until Christ returns. Pray for our teachers, students, and especially the parents and family members. Our work is to evangelize Peru, beginning in the homes, extending to the homeless.

Church Plant News

Jesús María church plant is now 16 months young. The area near downtown Lima is an ideal choice for it. Even the process of renting the building has been forward-growth. We have moved to our third location and each move provided additional rooms, parking, and exposure at a lower cost! A new Sunday School class for adolescents began this month. Weekly home Bible Study continues and grows with people not able to attend the Sunday Morning services. We still do not have Sunday evening services due to the availability of the rented property and the distances people travel in the morning makes it unreasonable for them to try and return through traffic for a 7pm service.

Our first baptismal service is being planned for next month. The church constitution is being drafted. And outreach continues to bring in more visitors. Praise God for His faithful hand in all of this.
