WORLD WIDE NEW TESTAMENT BAPTIST MISSIONS

SENT BY: FAITH BAPTIST CHURCH, TAYLORS, SC .

Kris and Rose Marie Blumer  
Teaching the Word and  
Reaching the world for Christ!

*Enlarge the place of thy tent, and let them stretch forth the curtains of thine habitations: spare not, lengthen thy cords, and strengthen thy stakes.*

**Isaiah 54:2**

The church in Canete, (where Rose Marie gave her testimony), developed a major building crisis the week following the meeting. To the praise and glory, that only belongs to God, funds were sent through us that covered the entire expenses for the reconstruction. We did not ask for any financial help. It was an act of love and sacrifice spontaneously displayed. It is times like these that we are humbled, and at the same time, encouraged to see blessings extended to others. I had expected to see the work completed by Christmas, but there is an interruption due to the holiday.

Thank you for '*Lengthening your cords and sparing not*'.

Through the sacrifices you make in prayer and financially, this ministry *stretches forth* in the name of the Lord! **Isaiah 54:2**

John 14:27

Peace I leave with you, my peace I give unto you: not as the world giveth, give I unto you.

As I compose this prayer letter over the course of weeks, or days, I watch changes minute by minute. The week of Thanksgiving I was, 'Reading to embrace' Romans 15:13. *"Now the God of hope fill you with all joy and peace in believing, that ye may abound in hope, through the power of the Holy Ghost."* When I write to you, I reflect on the ministry God is opening and expanding. But tonight there is national news announcing destabilization and chaos.

In their tours they chanted slogans such as "And it will fall and it will fall, this Congress will fall" and "The united people will never be defeated," while they rejected the new president Dina Boluarte and called for a **new Constitution**. A leader of Puno announced that a national strike will take place on December 15. "Surely tomorrow or the day after tomorrow we will start with the closure of the roads," said Honorio Checalla Muñico in an interview with RPP.

A coup d'état screams, *Where is peace on earth, good will toward men? Or, when saw we thee sick, or in prison, and came unto thee?*

**Matthew 25:40**

We came to Peru with Good News that is, at the worst of times, unshakable. Just as the angles announced, *"Glory to God in the highest"*, The Prince of Peace abode with shepherds on that first Christmas night; It was during the height of *PAX ROMANA*! God's Peace came on earth, God's good will extended toward men!

There are ways to say, "Good will to you..." be warmed and filled... and still hoard the peace within. (James 2:16). During this season, families are giving gifts to each other, and friends are gathering in celebration to the King in the manger; The world around us does not honor the *King Supreme* in heaven. The heavenly

help they pray for, will not fill their nation, if it does not fill their heart. James 3:17 Pray that God will give us wisdom from above, to guide us in His will each and every step of the way. ~ It's all in Proverbs 3:5,6.~

The previous prayer letter anticipated news from the negotiations with the property owner to rent the "fuchsia-room". The Lord closed the door, and the room was rented-out to another tenant. There are some personality differences that are common, and each community has to struggle with. God gives us teaching moments, and protects us in His watch-care. These are the reasons that your prayers be fervent and effectual. We also have to struggle with some language skills that were not manifested before when we were teaching in an English-Immersion situation. In some respects, we have gone through what might be called second culture-shock. I thank God for providing an excellent Spanish coach that I use preparing for my messages. Rose Marie is often overwhelmed by the women in Cerro Azul who need counseling. She would be the first to tell you that she needs God's grace and spiritual strength to be victorious over fear and discouragement. I tell her she is doing better than she perceives. Yes, God uses the weakness of our flesh to manifest the strength of His Spirit. And, yes, God's will will not take me where His grace does not keep me. Our confidence is not in how faithful we are, it is in how faithful He is. We will have many testimonies in heaven that began as testings on earth. Nothing escapes His praise that wasn't given in petition. *Now the God of patience and consolation grant you to be likeminded one toward another according to Christ Jesus: That ye may with one mind and one mouth glorify God, even the Father of our Lord Jesus Christ. Wherefore receive ye one another, as Christ also received us to the glory of God. Rom. 15:5-7*

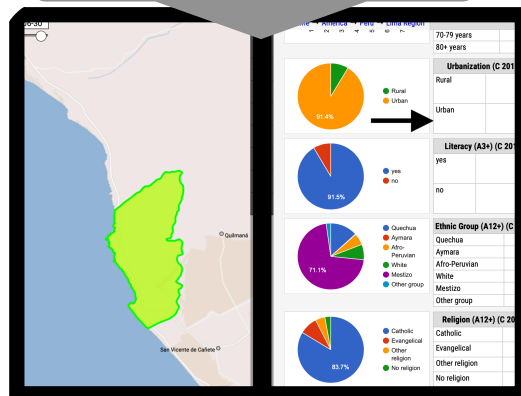

I was invited to the High School retreat  
in November
