

# BLUMER'S BURDEN *For Peru*

WORLD WIDE NEW TESTAMENT BAPTIST MISSIONS  
 SENT BY: FAITH BAPTIST CHURCH .....TAYLORS, SC .

2 Corinthians 1:11

*Ye also helping together by prayer for us, that for the gift bestowed upon us by the means of many persons thanks may be given by many on our behalf.*

**We are truly blessed for the means of many persons! Every prayer update we send out, reminds us of how you witness and stand, in two places at once.**

***Kris and Rose Marie Blumer  
 Reaching the world and Teaching the Word For Christ!***

A personal Thank You !  
 It is your personal investment and your faith-bound praying for us that helps supply the needs.

**PRAY LIKE YOU PLANT.  
 HARVEST LIKE YOU PRAY.**

**PHILIPPIANS 4:13**

*"...some have not the knowledge of God..." 1 Cor. 15:34*

This year marks the beginning a new decade for us in Peru and the ongoing burden we have for souls in Peru.

We ask that God burden your prayer life with the following requests and praises.

1) **Praise:** Last week we were encouraged once again to see familiar people returning to the Cerro Azul church-plant. Currently Kris is preaching on the street. The work has been slow. (sometimes discouraging for Rose Marie and Kris especially during the summer months).

*Ephesians 6:13*

*"Wherefore take unto you the whole armor of God, that ye may be able to withstand in the evil day, and having done all, to stand."*

2) **Pray** for families in the fishing village who desperately need to come to a gospel-saving conclusion. And that Kris would be able to speak the language with ease and clarity as he preaches the truth of the Gospel.

3) **Praise:** The Family Network homeschool, that asked Kris to teach Bible classes last semester, has resumed for the third quarter. It is a privilege to meet with these students twice a week.

4) **Praise:** Kris has once again been invited back to teach Bible classes in LaMolina Christian School

now that the covid restrictions and mandates are behind us.

The 2023 school year started March 8. Not all the students are from Christian homes, so this will be another challenging but opportune year of Bible teaching and discipleship.

*Listening is not hearing. Pray* that these students would open their hearts to the truth of the Gospel.

5) **Pray!** Peru is struggling Economically. The political crisis has caused a lot of unrest since December. The ongoing protests and strikes have had a negative affect on the whole country. With the national infrastructure collapsing, Peru is in dire need. Price increases affect everyone. God has sent rain on the righteous and the unrighteous by a cyclone and El Niño already this year.

6) **Pray** for grace and wisdom concerning Kris's 91 year old mother because her health is failing. She is once again under hospice care. Her desire is "to honor the Lord in everything."

7) **Praise** for witnessing opportunities to families God gave us in our neighborhood.

8) Finally, following the example of Acts 13:27, we will be visiting and reporting this Fall. We have full schedules, but we look forward to seeing you again if we are near you.
