Mark 1:16-20

Out of the ship the calling came.
Mending their nets, one remained.

Every prayer update we send to you reminds us of how many *Menders of Nets* we have behind us. We need you, and ask you to begin the New Year praying for our 'launch' in language acquisition.

We cannot put into the words, "Thank You", that sufficiently expresses our love and appreciation to all our co-laborers who remain on the Home-Front, we value you, while you work and serve in *your* mission field. It only takes a few weeks of walking in your sandals to realize how difficult it is for you to mend nets. Our invitation remains: Come try on our shoes as our guest. Contact us if you would be interested to "*Cast the nets with us*".

Merry Christmas! Blessings to you in the Name of Christ, The only begotten Son! As Jesus was promised to the world as the Savior, He is promised to come again as our King. That is the real Christmas proclamation!

Are we all ready? 1 Peter 1:3-5

We had a wonderful and safe cross-country journey in churches from Florida to Colorado. The Lord truly blessed us exceeding abundantly above all we could ask or think!

Just to update you quickly how we are spending the remaining days in Colorado enjoying time with family:

We were advised to acquire a vehicle to use during the meetings that began in September. We completed the final service on December 3rd and immediately sold the vehicle. Praise God!

The Lord provided for us a *Haven of Rest* to stay in before the trip back on the 31st. (Mark 6:31) The home that was opened to us also had a vehicle for us to use after we delivered ours to the new owners. The evidence of the Lord hearing your prayers is all around us. His love and provision sustains us at home and away.

Soon the normal schedules and responsibilities will change for us and God will open doors to use us as He has in the past. The 'new-norm' always brings challenges. We request your prayers for us and for the hearts God is preparing now for our return. January is already full with preparing for our part in a MK Teen Camp in Antioquia. Along with Counseling and preaching opportunities, we are enrolling in formal Spanish language school next month that will cost \$350 / wk. We are confident that the Lord's coming draweth nigh. We all should be working either mending the nets or fishing for souls.

For the Son of Man is as a man taking a far journey, who left his house, and gave authority to his servants, and to every man his work, MARK 13:34
