Dear Friends,

Just a brief note to keep in touch with you.

We are happily involved in the ministry of Foundation Baptist Church in Sammamish, Washington. We help where we can and fill in for our pastor from time to time.

Recently we sponsored a new start-up Baptist Church in Bellevue, WA. The pastor, Joel Creekmore, is a member of our church and was called to begin this new ministry. In spite of our 78 years, we were able to help with a little studding, sheetrocking, taping and finishing as the building was divided for the best use of the space. Don't know how long I'll be able to do that! I have included some pictures on the back side. We had a dedication service recently with some 120 friends from various churches and dedicated the building to fulfilling the Great Commission. The opening service will be some time in September.

Our church, Foundation, presently meets in a rented lodge on a small lake. Our attendance averages about 60 and we are trusting the Lord for either a rented building or a building of our own.

We appreciate your continued prayers for us and for our family members who continue as missionaries in Spain.

Sincerely in Christ,

Al & Helga
