

Independent Baptist missionaries to the Basque region of Spain

Dear praying friends,

One of the blessings of recent years in ministry has been the growing number of visitors the LORD has sent our way. Sometimes they come to us through amazing circumstances and we marvel at the LORD's providence and wisdom. In the past month we've had three different people come to temporarily join our family. Joyanna Dixson arrived first on a two-month missions internship for her studies at BJU. Then Camilla arrived to bless our home and ministry with her unique talents and testimony. Finally, David's best friend Jonathan, came to have a two-month taste of missionary life out here in the Basque region of Spain. The days go by swiftly, but God's grace has been a daily reality and we've enjoyed lots of ministry and fun together as His will has made our paths cross for a while. Thank you for your prayers and praises as the LORD supplies our every need. AB

Jonathan/David

During these last few weeks Jonathan and David (far left) have invested many hours in literature distribution, at the print shop work, and at the Aierdi camp & conference center.

Amaia/Joyanna

Joyanna has been a wonderful help, especially to Mimi. She has been busy in cooking, grading, and visiting. She has helped with music and teaching at church and has spent much time with several of Mimi's unsaved friends (like Amaia in the picture).

Mimi/Camilla

Camilla has also been a blessing, especially as she's had opportunities to give the moving testimony of God's grace in her life. She has spent some time with each of our team families and we've welcomed her to our ministry for as long as the LORD leads. Pray for her as she continues to trust the LORD to provide for her needs. If you would like to help her financially, you can do so by sending your gift to our mission office account with a note to that effect.
