

July News from the USA--2005

Independent Baptist church-planting missionaries in the Basque region of Spain

It was noon, in London, on July 7th. We had just taken a bus between the Heathrow and Gatwick airports and were checking in our luggage at the British Air counter. The lady asked us if we had heard about what had happened . . . and the way she asked implied bad news. The info was just coming in about several terrorist bombings on buses and trains. All they knew at that moment was that there were many victims. This

terrible event added a somber note to an otherwise exciting day for all of us. We praise the Lord for His protection and the fact that our flights and schedule were not affected.

When we arrived in Atlanta, friends from our home church were waiting for us with a beautiful van to use on our travels. How wonderful it is to be welcomed by family, friends, and a loving home church that continues to spoil us on every side!

Please pray for us as we prepare for our travels. There are still many decisions to make, vehicle/schools/banking/etc forms to fill out, family/friends to see, equipment to purchase, music to prepare, and materials to organize--**all this before our first meeting on July 24th.**
