Independent Baptist church-planting missionaries in the Basque region of Spain

God has blessed us so much already! We have been on the road for three weeks and have reported to six churches. (#1) The Lord has given us safety over several thousand miles in the van and has provided extra funds so we can start paying off some of the equipment we've needed to purchase for furlough. We thank each church for their offerings and gifts.

God has given our children a number of unique and unforgettable experiences.

One pastor had a pet fawn to pet (#2); Aunt Debbie took them to the lake for a day of fun with a huge inner tube; Uncle Drew and Aunt Becky have added the excitement of four wheelers and horseback riding; I gave each a ride on a friend's 1800cc Honda motorcycle; we visited Hershey, PA; friends from our church are taking them fishing, etc... My goodness, they are getting vacations like never before! However, there are also days of work for them to do for friends and neighbors so the older ones can start earning and saving for college. In a few weeks Danny, Mark, and Rachel will be in school and the schedule will change a bit!

God is using our **PULL UP A CHAIR** recording (#3) and we have enjoyed hearing many good comments of blessing in the few weeks since it came out. We offer them at churches for a donation and most people are very generous. We have already paid several hundred dollars towards the expense we had in producing them. If you are interested, we can send one to you. We suggest a donation of \$7.00 plus whatever shipping it would be. We believe the Lord will bless your heart as you hear this dramatized, true missionary story from the Basque region of Spain. Over 15 of our Aierdi missionary coworkers cooperated on this project.

God has helped us produce an 18-minute DVD presentation **STEPPING FORWARD BY FAITH** (#4) which we are showing to supporters and friends. It spans the 16 years of ministry we've had together as a family and each member participates in it. We are customizing this for each supporting church and friend. If you are interested in one, email us!

God provided a wonderful **Chevy ASTRO** (#5) van for our travels through several men in our home church. You can see it in picture #5, parked at some friends' house.

God continues to surprise as He promised in Jeremiah 33:3. It is a joy to meet with Him early each morning and walk with Him for the rest of the day. Thank you for praying for us! We would love to hear from you—[andy@aierdi.org](mailto:andy@aierdi.org).
