## Preaching Jesus Christ in the Basque Region of Spain

### EJEMPLOS meetings

On January 14th we held the first EXAMPLES youth meeting. We have a steady attendance of about 20 young people who come to the Aierdi farmhouse for leadership training every second Saturday of the month. Several missionary friends from the area help us carry out this program that is directed specifically at developing spiritual leaders. We focus on preaching, various Bible study activities, and quiz team matches. They also take home work to do between meetings. There is a point-earning system through which they will be awarded useful gifts down the road. We thank those of you who give so that we can purchase these awards.

### Co-workers

Thank you for praying for the church-planting ministry. God is blessing, though with new folks coming we also have many new sin problems to deal with! Pray for wisdom to train these believers in their new walk of faith. We are excited about the prospects of having the Wilkins family near by. Randy is the one in the picture wearing the tie. Pray for them as they look for a place to live in the area and for their continued studies in the language and culture.

### Missionary teen retreat—2

For three days in March 24 missionary teens came together for our second retreat. Pastor Travis Smith and his wife, along with seven of us missionaries enjoyed investing our lives in this group of unusual youth. We hope to see many of them return to the European mission field in years to come. They are already highly qualified because of the privilege they've had of growing up on the front lines. Bro. Travis brought an excellent series of messages from Phillipians on CHOOSING JOY.

**Our daily prayer: "Dear Lord of the harvest, please send more labourers to this part of your field."**
