

We send out much more information by email:~!

Last Easter the Lord allowed our missionary team to print a Gospel postcard and send it out to all the homes in three of our 18 Goierri towns. This fall we printed a Christmas 2007 postcard and were hoping to expand the number of homes that would receive this message of His Truth. Response from friends was fantastic—in prayer and financial gifts. As things are right now we be able to send the postcards to almost every home in these communities, with a total of approximately 45,000 people!

Merry Christmas! Thank you for your prayers and gifts.

The chart to the right is copied directly from a poster we prepared and sent out by email in October. The dollar depreciation over the last month has increased the project cost by \$120 but we still plan to send out as many postcards as possible. If you would like to help, contact us by email or send a check to our mission office. Thank you for praying!

Second Postcard Mailing

Our tiny Beasain congregation will be giving to cover the cost of several of the 18 Goierri towns. Individuals are helping with the expense of a few others. This group of six towns is already an increase over last Easter's mailing. Amen!
