Furlough

Hello from Greenville, SC! I am writing from my inlaws' comfortable house that we call home on furloughs. We have recently reported to churches in Illinois, Kentucky, and North Carolina. Every service has been special, and we have so much enjoyed getting reacquainted with friends from longtime supporting churches as well as meeting new ones in churches we've visited for the first time. God is good.

- After making a few revisions on our family DVD (in which we use pictures & video to review our years of ministry in the Basque region of Spain) we will be ready to send it to all our supporting friends and churches that we will not be able to visit personally. Otherwise, if you would like to receive the dvd and brochure, please ask for it at andy@aierdi.org.

- Thank you for praying for the ministries that are going on back in Spain. Our co-workers are doing an excellent job, and the church, Aierdi farmhouse, and printing ministries are moving forward. As you can see on the accompanying printout, we are starting to prepare for the 6th missionary teen retreat, which begins a few days after we return from the USA.

- We are grateful for the ongoing stream of visitors at the Goierri church. God continues to work in lives, changing them into the image of His Son.

Pastor & Mrs. Sawyer, (KY)
faithful friends for many years.

Waffle House is still a favorite for us in the wee hours of the morning, as we travel back from meetings!

Because of their academic schedules, our kids are not able to travel with us as much as in previous furloughs—just a couple of times in August. But we are very thankful that we can often have lunch or supper together here at Karen Drive. Family times are fun!

- Thank you for praying for us during the next six weeks as we are in missions conferences and other special services in Tennessee, North Carolina, Indiana, Virginia, and Pennsylvania. What a privilege we have to report about the wonderful things God is doing in Spain to so many who are faithfully praying and giving for it to happen! Email us when you can—we love to hear from you.

Manson, from Nigeria, visited recently, after receiving a Gospel tract on the street from two of our girls.

Thank you for everything!
