**Independent Baptist church planters
in the Basque region of northern Spain**

2009
Furlough

Hello from Sellersville, PA, where we have been all of this week. Last Thursday we left Greenville for a missions conference in Fairfax, VA. On Monday we drove here to join the conference with Pastor **Rob & Rochelle Campbell** at Bethel BC. Yesterday we had the unique pleasure of going with them to see Sight & Sound's

production, **IN THE BEGINNING**. Wow! Tomorrow we leave for Frederick, MD, and another conference at the church that has sent four mission teams to our ministry in Spain. On Sunday we will also hop up to a supporting church in inner city Philadelphia.

- News from the field is generally good. Our co-workers are busy keeping the ministries going forward. New people are hearing the Gospel and believers are growing. However, there are a few who are going through special spiritual difficulties and we especially request prayer for one of our men named **Michael**.

- Our children have been able to join us on a few occasions, and in one recent conference, Danny had the privilege of leading a hispanic truck driver by the name of **Francisco** to the Lord!

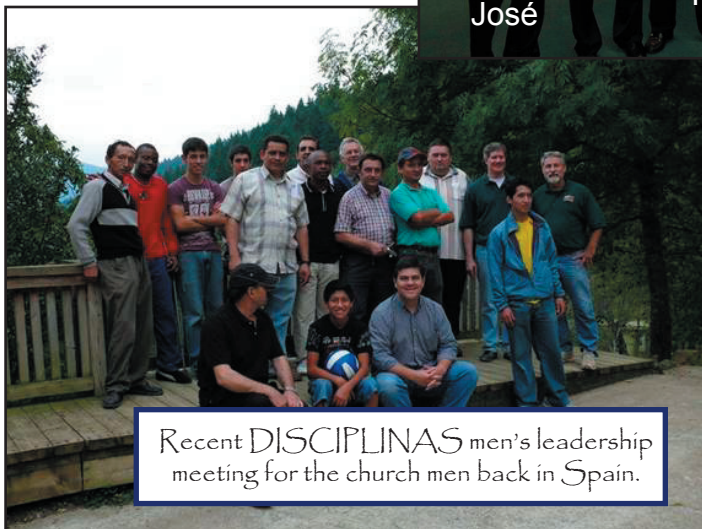

October 2009

- Along with this newsletter you should receive a couple other printouts—one update of the **6th Missionary Teen Retreat** and this year's **Gospel Postcard project** poster. Thank you for praying for us as we seek to glorify

the Lord Jesus in every opportunity He gives. *The challenges are great, but the rewards of faithfulness are greater!*

- In recent weeks we will be traveling to churches in SC, OH, NC, and CO. Our 4-month "furlough" is half over . . . and we received word from Spain that the co-workers & believers there are counting the days. God is good!

Thank you for everything!
 Andy & Mimi Bonikowsky
