

# Missionary Teen Retreat 6

December 1-5, 2009

•I'm writing from Greenville, 6 days before our flight back to Spain and 13 days before the retreat. It's great to sense the mounting excitement as our next MTR gets closer!

•Let's all continue in prayer for the many transportation issues. Since we are scattered all over Europe, the challenges are great. Not as many gifts have come in this year, but that can change . . . and besides, the Lord is limitless in wisdom. He can meet needs in many ways, and always in a manner that brings glory to Himself!

•Prayer is a KEY to God's blessing so everyone participate! Why miss the blessing?!

•Oh yes, just to keep you guessing, I have a surprise activity planned . . . something that will involve everybody and should be memorable:!) AB
