Preaching the Gospel of Christ among the Basques of Spain

↩LOOKING BACK

- In September, Bro. **Keith Huhta**, his wife **Lourdes**, and son **Andrew**, came from **Hermosillo**, Mexico. He taught our 24th intensive institute at Aierdi and did a fine job, focusing on the 2 Epistle of Peter. **Keith** is the director of an excellent Bible institute there in **Hermosillo**. There were nearly 60 adults present and 18 of them earned certificates. We awarded **Miss Ana Pedrero**, a special plaque for having earned 20 institute certificates, or the equivalent of 100 hours of Bible teaching.
- At the end of September, associate pastor **Rob Stroup**, from **Berean BC** in Lilburn, GA, came with a group of adults.

They were involved in various different ministries, including some tract distribution in the target city of **Tolosa**, where one of our co-workers is now

starting services for the first ever Baptist church.

- In October we enjoyed the visit of Pastor **Marshall Fant**, who came with his wife and daughter, to hold a special series on the family in the **Goierri** church. They did an wonderful job on such a needy subject in this terribly family deficient culture.
- The **Beasain** church attendance has been filling the tiny auditorium week after week, with unsaved hearing the Gospel almost every Sunday. We continue to pray, and as a congregation are fasting once a week, waiting on God for a larger and more suitable building.

LOOKING FORWARD↩

- During the first week of December we will host our **8th Missionary Teen Retreat**. Currently there are 17 teenagers scheduled to arrive from five different European countries. **Dr. Mike Patterson** will be our guest speaker. We are changing the retreat this year, it will run from Thursday the 1st through Wednesday the 7th. Friends of the ministry have already sent in gifts to help with the retreat and transportation expenses, which we will distribute to those who have to spend the most.
 - We are well into the preparation for our yearly Gospel Postcard project. The postage expense for most of the 18 towns has already been donated by friends and churches. If you would like to see a sample of the front of the card, and the Gospel text on the back, it should be posted soon at www.aierdi.org, under Printing & Literature. If you would like to help with the remaining costs of MTR8 or Postcard project, please email us for the latest information.
- THANK YOU SO VERY MUCH FOR YOUR PRAYERS!
