BAPTIST CHURCH PLANTING MISSIONARIES IN THE BASQUE REGION OF NORTHERN SPAIN

Recent news

DECEMBER started with a very special week: the 8th Missionary Teen Retreat. Dr. & Mrs. Mike Patterson were our guest speakers, and 19 teens from various European countries enjoyed his powerful preaching. We thank you very much for your prayers and financial gifts for the retreat.

A WEEK LATER we took 17,000 Gospel postcards to the Post Office, and over the next few days they were delivered to every residence in the 18 Goierri towns and cities. You can see what the postcards look like at the www.aierdi.org website, under Printing & Literature.

ON JANUARY 21ST missionary Dennis Flower taught in our 25th Intensive Institute on the Transforming Grace of God in the life of Judah. Nearly 60 believers enjoyed his excellent teaching as well as a full day of wonderful fellowship.

WE START A 3 MONTH FURLOUGH in August. If you would like for us to report, please write us at andybonikowsky@gmail.com.

Special Christmas

It had been four years since all of us were together for Christmas. The Lord allowed it to happen this past December, and oh, how we enjoyed ourselves! The boys are back in South Carolina now. David is doing paperwork for his visa so he can return to serve at his Opa's church in Irun. Danny is finishing

up a Bible major and is also planning to return to Spain. Mark is a Speech major and is looking forward to a missions trip to Surinam when the semester ends. Thank you for praying for each of them. In the Fall, we will return to an empty nest, after leaving behind our dear Rachel.

ON A RECENT SUNDAY some of our young ladies sang a special number, organized and directed by Sarah O'Brien and Laura Dodgens. What a blessing to see them serving God!

JUAN IS with two of our men, Arbey & Wilson, who are working in the Abraham Room of the Aierdi farmhouse. Please pray that God will provide regular employment for both.

THIS BUILDING is a recent one we have looked at for the Beasain congregation. So many times we have run up against obstacles! Hopefully this one is God's choice!
