BAPTIST CHURCH PLANTING MISSIONARIES IN THE BASQUE REGION OF NORTHERN SPAIN

Highlights

- Thank you for praying for us as we continue the ministry here in the Basque region. There are plenty of things to write about as the Lord blesses in many areas. Several of our men are still helping us get the new Lazkao building more and more finished. Ongoing projects and financial challenges include building a platform, a pulpit, and some portable dividers. There is painting still to do as well as huge curtains to separate the auditorium. We are having difficulties with the power situation, as the various heating units and equipment keep tripping the breakers! But there are no complaints since we are all delighted with the huge building we now can enjoy in so many more ways than the old one.
- In February, we had our 31st intensive institute at Aierdi and are now planning the 32nd, for June 7. Our guest Bible teacher will be veteran missionary, Marvin Robertson.
- We also are looking forward to a number of visitors and teams arriving in the next few months. Please follow all these ministries through our Facebook or websites.
- Thank you for your prayers!

☺ Last fall, we announced the salvation of Luci, who is the shortest one in the picture. Mimi spends discipleship time with her every week and we have seen her grow spiritually.

☺ She immediately had a desire to share her faith with others, and the first fruit came in the person of Nora. She is the lady in the gray sweater, saved several weeks ago. Like so many immigrant ladies

here, she takes care of an elderly person, living in the home of that family. Nora can only get out every other weekend, so that is as often as she can come to church. But she is growing in Christ and recently joined the Bible memorization program that a number of our believers are involved in. She has had an extremely difficult life but is learning to find her joy and peace in her new relationship with the Lord.

GOSPEL BUSINESS CARDS. This is a new kind of literature we are producing and giving out. It has our "In Jesus Christ there is always hope" logo on the front. On the back are John 3:16, website, and other contact information.

DANNY & JORDAN. Our second son, Danny, is happily engaged to the young lady who visited us on a mission trip last June. They are planning a September wedding and eventually coming back to Spain as missionaries.

DIVIDED SESSIONS. This month, the ladies in the Goierri church are having a five week conference in our second Sunday morning session. That obviously means the men are getting special attention too!
