BAPTIST CHURCH PLANTING MISSIONARIES IN THE BASQUE REGION OF NORTHERN SPAIN

☉ To the right, you can see the front of our 2017 Gospel postcard with part of John 3:16 in Spanish and Basque. The other side had a fuller Gospel article and invitation to the church website. Forty-two thousand of these went to that many homes in our region, so thank you for praying with us for the Holy Spirit's work in all of those hearts.

Here are some ministry pictures from recent months – however, it is much easier to follow our ministry through the website or social media. Thank you for praying and following what God is doing in the Basque region of Spain!

☉ In the picture above, you can barely make out the Irun church choir, presenting their Christmas cantata to our congregation on a Friday night.

☉ In the left corner picture, Mimi and our son, Mark, are about to leave for the Atlanta airport. Mimi was able to go to SC to see our newest grandbaby (Eli), but one day before returning, she slipped on ice and broke her arm. That was six weeks ago, and she is just about to start rehabilitation. If all goes well, she should have the full use of her arm and shoulder in another three months. We are thankful Mark was able to come over with her and make the trip a little more comfortable.

☉ On the left, you can see our latest intensive institute, held at Aierdi on the 17th of February; on the book of Ecclesiastes.
