BAPTIST CHURCH PLANTING MISSIONARIES IN THE BASQUE REGION OF NORTHERN SPAIN

To the right you can see the nine students who did the requirements for a certificate in our 47th intensive institute, back in January.

Below that picture is the group of eight Sunday school teachers, trained or in training, at the Living Hope Baptist Church.

Here are some ministry pictures from recent months — however, it is much easier to follow our ministry through the website or social media. Thank you for praying and following what God is doing in the Basque region of Spain!

In the middle, behind the motorcycle is Aron Tamang and his family. Aron is a Nepalese pastor we have had close contact with since the serious earthquake in April, 2015, and have sent several offerings to their ministry.

One of our young ladies, Oihane (in black, behind the boy), was recently there as a voluntary nurse. She is the first person from our church to meet them.

To the left is José, one of our men who is learning to preach. We now have believers learning and serving in this area.
