BAPTIST CHURCH PLANTING MISSIONARIES IN THE BASQUE REGION OF NORTHERN SPAIN

On the right, you see the group of believers that came to our 48th intensive Bible institute, on Haggai & Zechariah. The picture below is of Mimi and her parents, who now live in SC, having retired from the mission field of Spain.

Here are some ministry pictures from recent months — however, it is much easier to follow our ministry through the website or social media. Thank you for praying and following what God is doing in the Basque region of Spain!

In the upper picture I am with my parents, also retired from Spain, who live with my brothers near Seattle. Dad is 81, but we still enjoyed our near daily walks to the spectacular Snoqualmie Falls, a little over a mile away.

To the left Mimi is playing with her budding flute choir. These little girls come to church early every Sunday so they can get in on practice. This was the first time they had all played a special for the main service.
